

VTH1500B-S

Analog Indoor Monitor

Features

- 7" TFT LCD screen
- Color video & audio intercom
- Alarm integration
- Surface mounted

Technical Specification

Model	VTH1500B-S
-------	------------

System

Main Processor	NEC MCU
Operation System	Simple OSD message

Video

Video Output	1ch CVBS analog video
--------------	-----------------------

Audio

Audio Compression	G.711
Audio Input	All-direction Microphone
Audio Output	Built-in Loudspeaker
Bidirectional Talk	Support Dual-way Bidirectional talk

Display

LCD Screen	7" 800x480
------------	------------

Operation Mode

Input	Touch buttons
-------	---------------

Interface

Alarm In	6
Alarm Out	1
RS485	-

General

Installation	Surface
Power	DC24V
Power Consumption	Standby ≤1.5W, Work ≤5W
Working Temperature	-10°C~+55°C

Relative Humidity	10%~90%RH
Dimensions	221.2mm×154.3mm×25.5mm
Weight	0.7Kg
